It would help in our negotiations with local traders and dealings with authorities if we know the number of properties that our membership own. Therefore, please would you provide the following **voluntary** information, which will not be passed on to third parties:

| | number of properties | number of tenancies |
|---|----------------------|---------------------|
| student houses | | |
| multiple occupancy properties * | | |
| other flats or houses owned and let as single units | | |
| total | | |

* Any property owned as a whole, but split into separate units (eg self contained flats or bedsits) let by yourself, regardless of whether it is classified as a house in multiple occupancy under the Housing Act 2004 or earlier legislation.
