On the ground floor is a large modern kitchen / lounge / diner. The kitchen has modern black units with bright red worktops. The equipment provided includes a gas range style cooker with five-burner hob, two fridge freezers, a washer dryer and microwave oven. The lounge has two large leather settees and a large wall-mounted flat screen television. In addition there is a ground floor toilet room.

Each of the two upper floors have three double sized bedrooms and a shower room with toilet, so there are three toilets in total.

For comfort the property is provided with full double-glazing and gas central heating providing instant hot water.

Outside to the rear is a secure yard with storage for bikes and to the front on street parking without restrictions.

The property is located close to the local shops on Fulford Road, which include a late hours local branch of Sainsbury's, newsagent and pubs.
