This property has just been completely renovated and is offered for the first time to a group of five students wanting space with no compromise in comfort.

The accommodation comprises a double bedroom, lounge, kitchen, utility room and bathroom on the ground floor. On the first floor are three further double bedrooms and a shower room. Finally, on the second floor is the fifth double bedroom.

Everything was renewed in 2008. The kitchen, bathroom and shower room were all replaced. All the furnishings will be new when the group move in.

Each bedroom will be provided with a double bed, wardrobe, drawers, bookcase, desk and chair. In addition, each has a television aerial point.

For comfort the property has new double-glazing and a new central heating system, both of which meet the latest energy saving standards. Hot water is provided on demand by the combination boiler.

The lounge will be provided with a television and DVD player.

This property is located behind York District Hospital, so when walking to York St John the distance is similar to that from the City Residence accommodation site. Also, it is very close to the local shops on Burton Stone Lane, which include a late hours local branch of Sainsbury's with a cashpoint.
